

The Support Hub Broomfield Atrium

Feel Well, Live Well, Work Well

- The link to Community Services
- Supporting Patients, Staff and Visitors

About the Support Hub [Anchor innovation / The Support Hub](#)

The Support Hub in the Atrium offers a welcoming central point for patients, staff and visitors in our acute hospitals to easily connect with vital community resources. This initiative is closely aligned with the Government, NHSE, and our own vision to strengthen the ties between hospital and community care.

Services Available at the Support Hub

- Citizens Advice Bureau: Guidance on benefits, legal matters, financial and debt management, employment rights, and more
- Peabody: Support with housing and benefits
- Employment Support: Help for individuals facing challenges to employment or at risk due to health concerns
- Essex Wellbeing Service: Assistance with quitting smoking, weight management, emotional wellbeing, social isolation, addiction, and independent living
- Charities & Voluntary Organisations: A range of health and life support services
- Veterans Care Navigator
- And much more

**Together, let's bridge the gap between hospital
care and community support - for healthier,
happier lives.**

**Please share this service with all of your staff
and wider teams, and patients!!**
